Dolphin cruise North Myrtle Beach Once you board your boat, you'll be on the route to the Atlantic Ocean by way of the Intracoastal Waterway. You'll be able to relax and unwind while along the sparkling water as you watch for the bottlenose dolphin pods swimming around. As well as seeing these beautiful creatures, we will have the opportunity to see shrimp boat fleets working their fishing net and may see sharks, sea turtles, and other marine life as they feed on these boats.

Polynesian Fire Luau features performers from different Polynesian Isles, just for the Luau. Your evening begins with a lei greeting by dancers. Then enjoy a buffet dinner accompanied with live music by our Polynesian band! After dinner, the show which highlights songs and dances from the different Polynesian cultures of Hawaii, Tahiti, Tonga, New Zealand, and Samoa, begins. The night ends with an amazing performance by our World Champion Samoan Fire Knife Team.

There will be **free time** for relaxing by the pool, beach combing, etc.
